

**YOU'RE HIRED!**

**SO, HOW DO YOU FIND YOUR DREAM ROLE AND MAXIMISE YOUR CHANCES OF GETTING RECRUITED? WHAT CAN YOU DO TO PROGRESS YOUR CAREER?**

**THE INTERNET HAS OPENED UP OPPORTUNITIES FOR CAREER BUILDING IN NEW WAYS AND ON A LARGER SCALE THAN EVER BEFORE. MAKING THE MOST OF IT AND MANAGING ITS CHALLENGES IS AN INCREASINGLY IMPORTANT SKILL FOR TODAY'S JOB HUNTERS.**

*You're Hired! Job Hunting Online* is the one-stop shop to using the internet to advance your career.

Whether you are job hunting for the first time, or wanting to check you are doing everything right for a successful career, this straightforward book will support you. Providing advice, tips and examples throughout, topics include how to:

- use the internet to explore your career
- get to grips with LinkedIn, Facebook, Twitter and Google+
- build your reputation and employability
- find vacancies and other opportunities online
- move into the kind of jobs that you are interested in.

Written and researched by recognised experts in the field, and uniquely based around seven key principles (each of which has a devoted chapter), this guide covers the latest developments in social media and online recruitment tools to give you everything you need to develop a great career.
